

HA Retinol Serum

HA Retinol Serum brings together the moisturizing effect of **hyaluronic acid at a 1 1/2%** level. The **retinol concentration of 2%** adds elasticity while reducing wrinkles and eliminating fine lines due to aging.

Product Benefits ::

- Reduces the appearance of lines and wrinkles and plump skin
- Diminishes age spots
- Restores firmness and elasticity
- Hydrates skin with anti-aging and rejuvenating effects.

Suggested Use Directions ::

After face has been cleansed, apply 1-2 pumps of Hyaluronic Acid Retinol Serum to face both morning and night. Apply sunscreen afterward if used in the morning.

HA Retinol Serum

Technical Data Sheet

Product Description ::

Reduce the appearance of lines and wrinkles and plump skin with McLabs Hyaluronic Acid Retinol Serum. McLabs HA Retinol Serum also diminishes age spots and hydrates skin with anti-aging and rejuvenating effects.

Key Ingredients & Benefits ::

- **Aloe Juice** | Skin soother and moisturizer that calms and hydrates skin. Acts as a delivery device for other active ingredients.
- **Retinyl Palmitate** | Exhibits anti-aging properties and antioxidant protection. Treats fine lines, wrinkles, uneven texture and dark/age spots. It also boosts collagen production, the proteins responsible for keeping skin firm and smooth.
- **Hyaluronic Acid** | An ingredient that helps the skin hold on to water, plumps fine lines, smooths wrinkles, helps skin look radiant and youthful-looking. For all skin types.
- **Cassia angustifolia** | Demonstrates hydrating and skin conditioning properties and mimics the effects of Hyaluronic Acid to moisturize and soften skin while plumping fine lines and hiding wrinkles.
- **Sodium Ascorbyl Phosphate** | Antioxidant that protects the skin from external aggressors and protects skin from elements that cause spots, wrinkles and sagging.
- **Plant Collagen** | Has anti-aging properties and potential to reduce wrinkles, increase skin hydration and promote more supple and youthful skin texture. Plant-based collagen is far safer and more effective than animal collagen.
- **Jojoba Oil** | Has anti-inflammatory properties which help to tame chaffing and chapping, reduce redness caused by drying, ease the effects of eczema and rosacea and keep skin calm and comfortable. The Vitamin E and B-Complex vitamins in Jojoba Oil help in skin repair and damage control. For all skin types, especially damaged.

Suggested Precautions ::

- For external use only. Avoid direct contact with eyes. Rinse with water if direct eye contact occurs. Do not use on broken skin. For adult use only. Keep out of reach of children. If swallowed, get medical help right away. Stop use and ask a doctor if rash or irritation develops and persists. Use sunscreen and avoid long term exposure to sun. Store in a cool dry place, away from excessive heat and cold.
